

Welcome to Pili Mai 4K! We are so glad you are here
and hope you have a wonderful stay!! 

Here are a few highlights for our home and for any other detailed
information please use the QR code provided or contact CBIV.

Check in/out times: Check in is 4pm and Check out is 10am - early check
in and late departures may be possible depending on occupancy. Please
contact CBIV for availability.

Check Out Items:

- Load the dishwasher and start.
- Take all garbage to the dumpster.
- Leave beds which were used unmade (no need to strip).
- Pile all USED towels used by the washing machine on the floor.
- If you have unopened food you would like to leave, please do! We will ensure it is donated or given directly to our staff. All opened food will be discarded, no need to empty the fridge or pantry - our staff will take care of it.

Amenities: We hope we have equipped our home with everything you could need for a wonderful vacation! If there is something you need, or that you think could make for a better stay, please let us know. We will do all we can to accommodate requests.

Window Coverings:

- Sliding Glass doors - please open the blind slats (beaded cord) PRIOR to opening curtain (plain cord) to avoid breaking.
- All other windows:
 - Use the wand on the right side to open slats PRIOR to any other actions.
 - Push up gently from the bottom thick slat to open.
 - Pull gently down using bottom thick slat to close.

In the garage:

- Additional refrigerator in the garage for guest drinks or groceries.
- **Sports equipment:** Basketball, football, soccer ball, volleyball, pickleball paddles and balls, frisbee, paddle throw/catch set, cornhole boards and bags are all in a cabinet in the garage for guest use! Enjoy!
- **Beach equipment:** 8 Chairs, 3 Umbrellas, adult and kid snorkel/masks, kid pool goggles, beach toys, pool noodles, pool floats, towel clips/bands, wagon and rolling cooler. If used, please rinse with the hose by the front door if anything is sandy before storing in the garage.
- **Outdoor Furniture:** If covered, please feel free to uncover at any time and store the covers in the patio box located in the garage. The wind can come up quickly and this will ensure the covers are lost or blown away.

Inside the Home:

- We have provided French Roast coffee beans and a tray of K cups for your use. Please enjoy! The 14 cup coffee maker does NOT need filters - use the gold one provided with the appliance.
- There is salt, pepper, olive oil and spices provided for your use. PLEASE ensure all spices are in their container and closed tightly to avoid moisture and bugs.
- All beach and pool towels are on the shelves behind the bathroom door in the Queen Room. A baby/toddler bath chair is also on the shelf behind the bathroom door.
- If you need to launder towels during your stay, please shake out any sand outside PRIOR to washing. Sand will break the washer easily!
- The Queen Room closet also has the following for your use:
 - Play/Pack Crib
 - Sheets for play/pack
 - Sound Machine (Hatch brand, easy to use with app!)
 - Baby Monitor and Camera
 - 2 strollers
 - Highchair
 - Booster chair
 - Fan
 - Luggage rack and hamper
 - A few diapers, swim diapers and wipes if you forgot them.
- Under all bathroom sinks there is a basket with complimentary toiletries if you have forgotten anything.
- Each bathroom has a hair dryer with attachments, curling iron and flat iron for your use.
- DVD and movies are provided but all tvs are smart tvs so you can stream. Directions for use are on the coffee table tray.
- Please enjoy all the games, puzzles, art supplies, books and toys provided - both in the family room, kids bunk room, and the garage. We understand things can get lost/broken so please just let us know if anything needs replacing. (umbrellas, googles, games missing pieces, art supplies low, etc.)

- Binders are located in the upper pantry, under the kitchen sink and on the laundry shelf with manuals for use of items.
- There are “bug” fans and table lights for the outdoor dining set on the shelf in the laundry area.
- Occasionally we can experience power outages due to heavy rain or wind. A lantern is on the shelf in the laundry area. There are also flashlights in every night stand and the utility drawer in the kitchen (top drawer under K-cup coffee maker).
- If the home loses power, you will have to reset (turn on) the ice maker for the fridge when the power is restored. The default upon power coming back on is to have it in the off position.
